WESTERN MICHIGAN UNIVERSITY

December 5, 1994

Dear Colleagues:

It is my pleasure to join the rest of the Western Michigan University community in recognizing the valuable contributions made by the faculty and staff who have committed their careers to Western. Those of you with many years of service have shared significantly in building this University and establishing its fine history. Many of you have served through calm and storm, growth and decline, good times and bad times. You have earned our respect and our thanks.

I appreciate your commitment and dedication, and I trust that you will continue your efforts to build toward our common goal of excellence and recognition for this fine educational institution.

Sincerely,

A handwritten signature in cursive script that reads "Diether H. Haenicke".

WESTERN MICHIGAN UNIVERSITY

December 5, 1994

Dear Faculty and Staff:

I am most pleased to offer my personal best wishes to those employees whose names and faces appear in this publication. This booklet is printed each year to feature you and to recognize the significant service anniversaries you are celebrating this year.

To those whose continuing commitment and dedication to Western Michigan University span 25 years, it is with special pride I congratulate you upon your induction into the 25 Year Club. The 25 Year Club is the pinnacle of Western's recognition program. Membership is offered to all regular status University faculty, administrators, and service staff who have 25 or more years of continuous service with the University. Twenty-five Year Club members are invited to an annual banquet in their honor. They also receive a 25 year service pin, a framed certificate, and may choose from a selection of commemorative gifts.

Each month, letters of appreciation, certificates and service pins are awarded to employees who celebrate ten, fifteen, twenty, thirty, thirty-five, or more years of active service. Western Michigan University considers it a privilege to publicly recognize those of you who have shown this career dedication to our University by your long history of employment service. We are very conscious of your contributions to the growth of our University and its commitment to excellence.

To all of you, again I say congratulations — and thank you.

Sincerely,

A handwritten signature in cursive script, reading "Anne Thompson".
